

Bowes Show 14th September 2019

Craft & Farmers Market Marquee

We are pleased to enclose the Craft & Farmers Market stall information pack for the 2019 Show. Please note that applications for the outside Trade Stands are on a separate form.

Following the success of our 2018 Show and the excellent feedback received after re-planning our show fields, the committee will be making some minor changes to enable the public footfall and 'flow' around the fields to be increased, by providing a larger area for crafts and farmers market stalls and ensuring that all trade stands are prominently sited close by major arenas. Two or three premium trade stand spaces have been identified and they will be available at a higher pitch rental. As always, our committee very much appreciates the continued loyal support of all those who attend our Show. Our prime aim is to ensure that our Show is a brilliant day out for visitors and competitors, and that stall holders and trade stands are well sited to attract their potential customers. We shall look forward to seeing you there.

Please note: Access to the Showground, Holme Farm, Gilmonby, will be available from 14.00hrs on the Friday before the Show, for the purposes of setting up. Stallholders may camp overnight on the field if they wish. From 8.00am on the morning of the Show, Long Close Lane will effectively be a one way road into the Showground, and please ensure that anyone involved with your stall, such as staff or contractors, have vehicle passes and exhibitor tickets, to avoid entry being refused. All vehicular movements off the Showfield until 13:00 will have to be made in a Westerly direction which involves use of a farm track, a Bailey bridge over the Greta and a steep climb to the A66 at a point where drivers can enter that road in both directions. Please take especial care crossing the central reservation to enter the Eastbound carriageway.

The Trade Stand & separate Craft & Farmers Market Stall application forms are designed to make the process as easy as possible, with Guidance Notes and a Check List to help you with your booking. Should you require further assistance, information or discuss space availability please do not hesitate to contact us and we will be pleased to help.

We look forward to receiving your booking and seeing you at the 2019 Show. Wishing you a successful show season.

Yours sincerely,

Thomas Addison & Phil Hughes: Craft & Farmers Market Secretaries

Guidance Notes

For Craft Marquee & Farmers Market stallholders, if you require electric, please contact us to discuss the availability of a supply. Exhibitors in the Craft & Farmers Market Marquee can only use the Showground electricity supply for which a small charge will be made.

Outside Trade Stand plots do not have an electricity supply but generators can be operated subject to conditions of noise, safe refuelling and operation. Please note that Portable Generators are only permitted on the Showground after inspection of refuelling practices and siting by the Trade Stand Secretary during setting up.

Tickets and Vehicle Passes. Exhibitors will receive 1 vehicle pass and 2 exhibitors' passes. Additional exhibitors' passes may be purchased. Details are on the booking form.

All Exhibitors should note the following:

- Craft & Farmers Market Marquee. Each plot will be provided with a 10ft table and 2 chairs. The plots will have enough space to allow stallholders to sit or stand behind the table. A small amount of room between tables is set aside to allow access but no provision is made for selling in this space and siting stands or racks is not permitted in these spaces.
- Outside plots are 20ft x 20ft and will be allocated on a first-come first served basis except for the premium spaces which may be pre-booked. Adjacent plots will be allocated where requested and available. If you have a location preference, please state it in the initial application and we will try to accommodate your wishes.
- When deciding on a marquee etc for your plot, please ensure the marquee etc will fit within your plot including any guy ropes or pegs necessary for stability. Please be aware that you may need extra space to manoeuvre any trailers into your pitch and tow bars must not encroach into adjoining plots
- All traders/exhibitors **MUST** submit completed, signed and fully paid application forms before being allowed onto the Show field
- Traders using cooking equipment will need to provide a written statement of the type of equipment being used and an appropriate risk assessment. Appropriate fire-fighting equipment e.g. fire blankets etc, should also be provided by traders.
- Traders must not use any PA equipment of any description to promote their products and A boards and advertising banners or notices sited outside the allocated plot will be charged for at half plot cost per item.
- Trader's allocation of space will be notified during the week prior to the Show.
- Traders must ensure that they have booked enough space for their trade stand and under no circumstances encroach into other trader's space, the avenues or non -trading space.
- All Stands should be operational (staffed etc) by 9.00am on Show day. Exhibitors **MUST NOT** dismantle their trade stand or leave the marquees before 4.00pm on the day of the show without the permission of the Trade Stand/ Craft & Farmers Market Secretary or the Show Secretary.

- Vehicles - Vehicle Passes will be issued as follows:
 - 1 Vehicle Pass per plot booked. This admits the Vehicle to the Showground on Show Days prior to 9.00 am.
 - Unless the vehicle forms part of the exhibit it must be removed to the parking areas before 9.00 am.
 - Please Note: Vehicle Passes are NOW required on pre and post Show Days. Vehicle passes do NOT admit Driver or Occupants to the Show. Vehicle passes must be CLEARLY displayed.
- Traders are permitted to unload vehicles adjacent to the appropriate marquee.
- Please ensure that you purchase additional exhibitor tickets as required

Hazard	Hazard Severity Rating*	Hazard Probability Rating**	Persons at Risk	Controls to Minimise Risk

Hazard Severity Rating*. 1 Negligible 2 marginal 3 Slightly Dangerous 4 Dangerous 5 Very dangerous

Hazard Probability Rating**. 1 Improbable 2 Remote 3 Possible 4 Probable 5 Very Probable

Hazard. Use these examples as a guide to complete hazard column overleaf.

• Slipping/tripping hazards • Chemicals (e.g. battery acid) • Moving parts of machinery (e.g. blades) • Work at height (e.g. from mezzanine floors) • Pressure systems • Vehicles (e.g. fork-lift trucks) • Electricity • Dust (e.g. from grinding) Fumes (e.g. vehicle engines) • Manual handling • Noise • Livestock on stand • Lifting operation Fire Hazard Combustible materials (rubbish, flammable substances, LPG etc) and ignition sources (flames, smoking etc)

Who Might be Harmed? Use as a guide to complete persons at risk column overleaf

There is no need to list individuals by name - just think about groups of people doing similar work or who may be affected,

• Office staff • Maintenance personnel • Contractors • People sharing your work place • Operators • Cleaners
• Members of the public. Pay particular attention to : • Staff with disabilities • Visitors • Inexperienced Staff • Lone workers
- they may be more vulnerable

Is more needed to control the risk? Use as a guide to complete controls to minimise risk column overleaf

For the hazards listed, do the precautions already taken:-

- Meet the standards set by a legal requirement?
- Comply with a recognised industry standard?
- Represent good practice
- Reduce risk as far as reasonably practicable?

Have you provided:-

- Adequate information, instruction or training?
- Adequate systems or procedures?
- In case of fire, a means of escape
- Fire detection and alarms
- Fire fighting equipment
- Fire evacuation plan

If the answer to the above is yes, then the risks are adequately controlled, but you need to indicate the precautions you have in place. Where the risk is not adequately controlled, indicate what more you need to do in an action list
